

Building strong bridges between dyslexia and academic success.

2019-2020 Application Form

Lakes and Bridges Charter School program is designed specifically and intentionally to meet the instructional and social needs of bright students who struggle to become skilled readers (e.g. children with dyslexia/specific learning disability).

LABCS's education plan and curriculum will offer evidence-based instruction designed to increase learning opportunities and increase student learning for dyslexic students, thereby closing the gap between their academic potential and their academic achievement.

The school is currently accepting qualified students for grades 1-6 for the school year commencing August 2019. Qualified students are:

- South Carolina residents who complete the application process;
- Have characteristics of dyslexia or a related learning disorder;
- Have demonstrated need for such specific services through (but not limited to) documentation in an IEP, 504 plan, or documentation from previous schools that the student is not meeting grade-specific standards in literacy; or
- Public school and/or private evaluation indicating that dyslexia or specific learning disability is the primary diagnosis

Lakes and Bridges Application Process

1. Parent or guardian completes the application, which is available at the school's website, www.lakesandbridges.org. The checklist and explanation of all items required to apply is listed below. All documents requested in the application checklist must be uploaded with the application as a PDF.

If applying from out of state continuation of the acceptance process will not be considered until all permanent records are received (please contact us for the Release of Records' form).

If you cannot access the online form, email labcharterschool@gmail.com or call 864-722-2161 to request assistance in the application process.

The school will contact the parent/guardian to schedule a conference, after the application, including all required documents, has been submitted for the student to participate in informal academic and curriculum-based performance tasks.

During the spring of 2017, the charter school law was amended that allowed Alternative Education (AEC) Campuses the ability to be mission-specific and turn away students who do not meet the criteria of a Qualified Student for their school's mission.

The Determination Process for Qualified Students to be used by the Admissions Team is as follows:

1. A review of the documents submitted as part of the Application Process.
2. A review of the parent/guardian student conference.
3. A determination by the Admissions Team as to whether the child demonstrates an unexpected reading delay and can be classified as having characteristics of dyslexia and/or related learning disorders, if not previously diagnosed or qualified through an Individual Education Plan (IEP, 504 Plan and/or recent public/private psychological evaluation within the past 1-3 years).

Notification of Qualification

Once the Admission's Team has completed the process and determined if the child is a Qualified Student, the parent/guardian shall be notified after open enrollment closes. However, if the number of applicants exceeds available seats, LABCS acceptances will go to lottery as needed per grade.

During the 2019-2020 school year, LABCS will offer education services for Qualified Students in Grades 1–6 and will add a grade level each following academic year through Grade 8, culminating with the addition of Kindergarten in its fifth year of operation. All Qualified Students will be eligible to attend as space permits.

Applications will be accepted from February 1, 2019- March 15, 2019.

Parents will be notified of acceptance and/or lottery by April 5, 2019. The notice shall be sent by email provided on the application forms. The parent or guardian has until the indicated date in the letter to accept admission. If the School has received no response to the notice of admission by the indicated date, a follow-up phone call will be made to remind the parent/guardian of the pending deadline. If no response is provided, it shall be deemed that the offer of admission has been declined and a letter to that affect will be sent to the parent or guardian and student.

Applications must contain all applicable and accurate information listed in the Checklist. Send any questions to labcharterschool@gmail.com or call 864-722-2161.

Checklist & Explanation of Required Items

Please submit all items at one time, not individually, if possible. The application will only be processed when ***all*** of the items below have been received.

If emailing the application to us, the application and all accompanying paperwork must be scanned into one pdf document and emailed in the order of the checklist below (we will not accept jpg images).

- Application Form.
- Evaluation(s) – submit a copy of any psychological evaluation, school evaluation(s), and/or medical records concerning conditions that might affect your child’s ability to learn. If your child has never been evaluation, or if the evaluations are unavailable, please not on parent questionnaire.
- Individual Education Plan (IEP) or 504 Plan. If available, please submit the most current copy of this document.
- Report Cards. Submit a copy of your child’s final report card from last year AND a copy of this year’s most recent report card.

*Additional information and/or documents may be required to determine acceptance.

Application

Student's Full Name (as it appears on birth certificate and/or report card):

Student Address (primary residence of the student):

Address: _____

City: _____ State: _____ Zip: _____

Student Date of Birth: _____ **Student Age:** _____ **Gender:** ___ Male ___ Female

Current Grade Level: ___ K5 ___ 1st ___ 2nd ___ 3rd ___ 4th ___ 5th

Grade Applying For: ___ 1st ___ 2nd ___ 3rd ___ 4th ___ 5th ___ 6th

Current School and City School is Located:

Mother/Guardian (first and last name): _____

Mother/Guardian Occupation: _____

Mother/Guardian Preferred Phone Number: _____

Mother/Guardian Preferred Email: _____

Mother/Guardian Address:

Address: _____

City: _____ State: _____ Zip: _____

Father/Guardian (first and last name): _____

Father/Guardian Occupation: _____

Father/Guardian Preferred Phone Number: _____

Father/Guardian Preferred Email: _____

Father/Guardian Address:

Address: _____

City: _____ State: _____ Zip: _____

Please list all schools attended, including preschool and daycare, starting with the most recent:

Has your child ever had a formal psychological and/or speech evaluation? ___ Yes ___ No

If yes, what was the date of the evaluation? _____

Where was the evaluation conducted? ___ Private Practice ___ Public School System
